Employability
Programme

Preparing refugees for work and life in England

If you're a local authority or community group that supports refugees who are trying to find work in your area, we can help.

HM Government

maximus

The **Refugee Employability Programme*** offers refugees up to 18 months of support to help them with:

- Finding and staying in work
- Learning English
- Work experience
- Accessing health services
- Skills and training
- Settling in.
